

IN AID OF

**Framework**

For your future

# Ending homelessness and tackling disadvantage

We're so thankful for everyone who fundraises for Framework. With your fundraising, we are able to help people find safe accommodation, address their health needs and provide them with skills and employment options.

**Here's the difference your fundraising can make:**

**£1**

Enables our Nottingham Street Outreach team to answer a call from someone sleeping rough

**£20**

Enables us to provide a heating allowance to a home in crisis

**£50**

Buys a pack of essential items for a rough sleeper or Framework resident moving on into a home of their own

**£100**

Pays for a three-hour early morning outreach session by two staff working with up to 20 rough sleepers

**£250**

Enables our staff to work with an isolated person for two months – giving time and support to help someone move on from crisis

**£500**

Enables a vulnerable person to train and become a volunteer. It also pays for their expenses for a year.
