

# THE DIFFERENCE YOUR FUNDRAISING MAKES

We're so thankful for everyone who fundraises for Framework. With your fundraising, we're able to support people find safe and secure accommodation, which is the first step in helping people rebuild their lives. Here's the difference your fundraising can make:

**£5**

Could buy a travel pass to help a former rough sleeper get to vital health appointments

**£10**

Could help one of our support workers to assist someone in finding safe long-term housing

**£20**

Could provide a heating allowance to a home in crisis

**£50**

Could buy a pack of essential items for a rough sleeper or Framework resident moving on into a home of their own

**£100**

Could pay for a three hour early morning outreach session by two staff working with up to 20 rough sleepers
